Notice Regarding Recognition of Non-operating Income (Foreign Exchange Gains)

The Company announces that an increase in non-operating income (foreign exchange gains) has occurred in the year ending 2026 (21 January 2025 - 20 January 2026), as follows.

1. Details of Non-operating Income (Foreign Exchange Gains)

The Company recorded foreign exchange gains of 33,127 thousand yen in non-operating income during the first nine months of the fiscal year ending January 2026 (January 21, 2025 – October 20, 2025). Due to subsequent fluctuations in foreign exchange rates, this amount increased by 386,126 thousand yen. As a result, the Company recorded total foreign exchange gains of 419,253 thousand yen in non-operating income for the full fiscal year ending January 2026 (January 21, 2025 – January 20, 2026). These gains resulted primarily from foreign currency-denominated transactions, including accounts receivable and loans from existing transactions.

2. Impact on Financial Results

Regarding the impact of the aforementioned non-operating income (foreign exchange gains) on the Company's financial results, please refer to the "Consolidated Financial Results for the Fiscal Year Ended January 20, 2026 [Japanese GAAP]," announced today.
