Takasho Co., Ltd. (the “Company”) hereby announces that we have recorded non-operating expense (foreign exchange loss) for the first quarter of the fiscal year ending January 20, 2026 (January 21, 2025 to Apr 20, 2025), as follows.

1. Details of non-operating expense (foreign exchange loss)

The Company recorded a foreign exchange loss of 343,021 thousand yen in non-operating expense due to recent foreign exchange rate fluctuations for the 3 months ended April 20, 2025 (January 21, 2025 to April 20, 2025).

This result was mainly due to revaluation on foreign currency transactions (Accounts-receivable and Loans etc. under existing transactions).
